ILLINOIS TECH | College of Tech Futures

August 20, 2026

Andrew Koren
A20642822
Email: akoren@hawk.illinoistech.edu

Dear Andrew,

I am pleased to offer you a funded position in the College of Tech Futures for the Fall 2026 academic semester. The funding profile is listed below. Note, where it indicates research grant funding, this is a continuation of prior grant funding and you will continue to work as a research assistant under the supervision of the research grant's principal investigator. Where it indicates non-grant funding, your work assignment (supervisor and duties) will be identified within the next week and clearly communicated in writing.

Dates of employment: 08/16/2026 - 12/19/2026
Estimated hours of work per week: 20
Total Stipend: $14770
Percentage Grant Funded: 100%
Percentage Non-Grant Funded: 0%
Tuition Credit: $18942

By accepting this assistantship, you verify two conditions: (1) Your total work hours from any Illinois Tech source will not exceed 20 hours per week; (2) You will register as a full-time student in the semester of your assistantship (Fall/Spring semesters). If you have any questions about these conditions, please contact me.

Hiring Paperwork (ALL new students hires)

It is essential that you first complete the hiring paperwork to legally begin work. You will only be able to work when all of the necessary hiring paperwork has been submitted and processed by the Office of Student Employment (SEO) Note that all paperwork goes to Student Employment Office, which is located in Galvin Tower, suite 13F4-3, from 10am-4 pm., Monday – Friday, and all of the paperwork should be submitted at the same time. Forms and instructional videos can be accessed from the Student Employment website.

For new and returning hires:

This assistantship appointment requires written acceptance from you, which also indicates your agreement to comply with the above conditions. **Please return your signed acceptance of this offer within three business days of the date of this letter to your school coordinators.**

School of Computing: mcbroom@illinoistech.edu and kbotica1@illinoistech.edu
School of Engineering, Applied Science, and Health: magnus@illinoistech.edu and ialmasri@illinoistech.edu

If we do not receive your letter by then, this offer is null and void.

Your assigned supervisor will contact you to discuss your duties and responsibilities. The dates of this assistantship appointment are listed above and your pay will begin and end in accordance with the stipend payroll calendar, subject to successful completion of the above paperwork and requirements.

International Students

International students who have never been issued a Social Security Number, SSN, in the United States apply for a SSN before completing the hiring paperwork below. If you have been issued one before in the US, you do not need to apply for a new one. If you do not have an SSN on file at Illinois Tech, please see these instructions from the Office of Global Services.

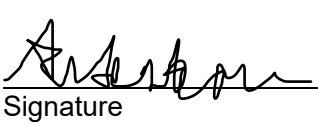

I know you will make important contributions to the Department and University missions and goals, and I congratulate you on being chosen for this appointment. The faculty and I hope you will accept this offer, and we look forward to working with you.

Sincerely,

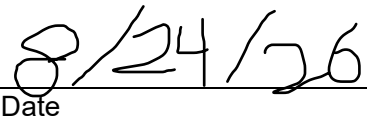

Nicole L. Beebe, Ph.D.
Professor & Interim Dean
College of Tech Futures

I accept this appointment for the period and on the terms set forth herein.
